Our exclusive Kefalonia and Zakynthos flotilla spends a fortnight sailing around the ever beautiful South Ionian Islands. This is a perfect flotilla for those of you that are looking to explore some new territory, within the Ionian Islands.

JOIN THE FLOTILLA IN SIVOTA ON LEFKAS ISLAND

You will join the flotilla in our main base of Sivota on Lefkas Island. From here you will venture out to the islands of Kefalonia, Ithaka and Zakynthos.

ISLAND HOPPING

The flotilla will hop between Kefalonia and Ithaka visiting our favourite spots. You will also find some beautiful bays as well as brilliant sailing conditions in the Ithaka channel. The route will then take you to Zakynthos, the southernmost island in the Ionian. Due to its location it is generally quieter than the other islands in the area.

This will be the time when the keener sailors amongst you will be able to get the most out of your yacht!

NEW WATERS

Zakynthos is the ideal opportunity to get off the beaten track. You will have the chance to explore secluded bays along with the bustling harbours of Ay. Nikolaos, Keri and Zakynthos Town. There are incredible caves on the northern coast of the island which are well worth a visit.

BEAUTY SPOTS

After two or three days spent on Zakynthos, you will sail back up to Kefalonia, where you will visit the beautiful harbours of Poros, Ay. Euphemia and Fiskardo. These are some of the most beautiful harbours in the southern Ionian; delightful for waterside dining and a bit of people watching.

SQUEEZING THE MOST OUT OF THE IONIAN

After some coast hopping on Kefalonia the flotilla will likely spend the final couple of evenings on Ithaka and Lefkas Islands.

If you fancy a relaxing night at anchor there is nowhere better than the picture perfect harbour of Kioni. By long lining from the rocks you will be able to swim right from the back of your boat and then just jump in the dinghy for a gorgeous meal ashore.

RETURNING TO SIVOTA

Your final evening will be spent in Sivota. You will relax over a meal with your fellow flotilla sailors and share your stories and newfound memories. We can't think of a better way to end two weeks of spectacular exploring.
